

Yeshivas Lubavitch of Myrtle Beach Gemara (Iyun) Sheet 4

Name: _____

I. Introduction:

- a. In the first Rashi on our Mishna, Rashi says: "כל חוץ-לארץ קרי ליה מדינת הים בר מבבל" = Every place outside of Eretz Yisroel is considered as מדינת הים except for בבל. Therefore when bringing a Get from בבל to Eretz Yisroel the Shliach doesn't have to say נחתם ובפני נכתב ובפני נחתם.
- b. In the Mishna it says that someone who brings a Get from one place in Eretz Yisroel to another place in Eretz Yisroel doesn't have to say נחתם ובפני נכתב ובפני נחתם.
- c. In the Gemara today, the Gemara will discuss what is the status of בבל. Could we say that בבל is considered like Eretz Yisroel and therefore when bringing a גט from one city to another city in בבל the Shliach **doesn't** have to say נחתם ובפני נכתב ובפני נחתם or we say that בבל is not **considered** like Eretz Yisroel and therefore when bringing a גט from one city to another city in בבל the Shliach **has** to say נחתם ובפני נכתב ובפני נחתם.

2. Fill in the chart - "The Status of בבל":

When Bringing a Get from one place to another place in בבל what is the law?

Rav	Shmuel
Holds that בבל is like: _____ That implies that the Shliach _____ בפני נכתב ובפני נחתם to say	Holds that בבל is like: _____ That implies that the Shliach _____ בפני נכתב ובפני נחתם to say

First Reasoning:

Rav holds like רבה that the reason for saying בפני נחתם ובפני נכתב is because אין בקיאין לשמה and the people of בבל are _____ therefore the Shliach _____ to say בפ"נ ובפ"נ.	Shmuel holds like רבא that the reason for saying אין עדים מצויין לקיימו ובפני נכתב ובפני נחתם is because אין עדים מצויין לקיימו and in בבל the witnesses are _____ therefore the Shliach _____ to say בפ"נ ובפ"נ.
--	---

Knock-Off:

רבא agrees to רבה! How can we say that this is the reason for the argument?

Conclusion:

Both Rav & Shmuel hold that we need עדים to _____ the Get, but...	
Rav holds that since there are Yeshivos in בבל, there are always Yeshiva Bochorim who know _____ traveling around בבל, so there is always someone available to _____. Therefore you don't need to say בפ"נ ובפ"נ.	Shmuel holds that the Yeshiva Bochorim are _____, and they don't have a chance to _____. Therefore you have to say בפ"נ ובפ"נ.
